

Managed Care Consultant Directory

As MCTAC provides large and small-group based training and technical assistance, some agencies may identify a need for more individualized help. The below list contains consulting options MCTAC is aware of for interested providers.

PLEASE NOTE: Inclusion/exclusion does not signify an endorsement or recommendation by MCTAC or its partners, the McSilver Institute, or New York University. We strongly suggest providers explore their options and do their own due diligence to determine the consultant(s) who best fit their needs. If you are a consultant with Managed Care and Behavioral Health expertise and would like to be added to the below list, please contact us at mctac.info@nyu.edu.
